VISION

2030

CHAIRMAN'S MESSAGE

"The starting point of all achievement is desire." --Napoleon Hill.

ASHRAF ALI
Chairman

I have always believed in the above quote and with this desire and vision in my mind, I started to lay my foundation of **Talent House**, sister company of H.R. International based in Riyadh & AL Khobar Kingdom of Saudi Arabia. After a lot of hard work and dedication, the company has grown into a strong innovative Business group. Talent House is a powerhouse of operation & maintenance, contracting facility management, global outsourcing and recruitment company.

We have been in this manpower industry for the past **19 years** and take pride in recognizing ourselves as the well-known face in the recruitment and outsourcing business. Our talented and devoted staff works tirelessly to bring value and efficiency, ensuring that every candidate we hire is a good fit and that every service we deliver is of high quality.

Through our offices and team in **Al Khobar & Riyadh** (Saudi Arabia), India (New Delhi, Mumbai, Cochin) Dubai, Qatar, Kuwait, Nepal, Oman, Africa, Philippines, Bangladesh, Egypt, Jordan etc., we have been able to carve out a position for ourselves by providing excellent service to our clients. Furthermore, we take tremendous pleasure in assisting our clients in achieving their goals.

With one more addition of our sister concern- Talent House, we are sure to achieve the best in the industry by offering quality services, commitment, and prompt delivery to all of our clients.

It gives me great pleasure to see the positive development, as I have learned, experience is the best teacher.

Finally, I'd like to take this opportunity to thank our esteemed employers, stakeholders, clients and all my team members who have helped us get to the point where we can rub shoulders with the competitive world.

I hope you will continue to support us in our efforts to achieve great success in the near future.

Who we are?

Talent House is operation & maintenance, contracting, facility management, manpower outsourcing and global recruitment company situated in Riyadh & AL Khobar in Saudi Arabia.

With a private and consultative approach, the company has become a preferred search partner for major Indian and multinational corporations. Our clients are extremely satisfied with the manpower we provide, making us the most trusted and dependable human resource consulting.

Having been in the industry for the past **19 years**, Talent House has the niche to understand the requirement of every client and promises to offer first class services to both employers and the candidates. Apart from being professional in fields like facility management, operation maintenance, the company has an expertise to hire Saudi nationals providing them their dream job in their respective areas.

With leasing and outsourcing as one of the key domains, Talent House brings a lot of proficiency on the table that allows us to have a tough fight with the competitors. Our team members have worldwide experience and have conducted numerous tasks over the years that allowed them to gain a full understanding of company trends and manpower needs in many areas and sectors.

What we aim at?

Our Mission

- As a leading outsourcing, contracting and facility management, our mission is to deliver effective maintenance services while making sure you are aware of all the positive aspects.
- To see smiling faces on multiple youths through up skilling and productive management.
- To provide exceptional service to our customers, which is essential for building long-term, important partnerships
- We try to not only meet but also exceed our obligations and client expectations on every level, delivering outstanding value.

Our Vision

- At Talent house, we make sure to handle superior maintenance process as well as all possible services that provide the clients with personalized solutions based on your needs.
- Aim to create a manpower excellence company with the goal of becoming the worldwide human resource arm of the business world.
- Our vision is to be recognized manpower agency with a healthy and successful ecosystem of satisfied customers, staff and business partners.

Our Core Values

Talent House stands on the following strong pillars:

Integrity

Every employee is held accountable for their actions and decisions, and is required to adhere to the highest ethical standards while dealing with clients and candidates. Our staff has been given the authority to deliver recruitment services that are completely honest, transparent, and consistent.

Transparency

We shall always be transparent and honest in our approach to our manner of operation and in our interactions with all stakeholders.

Excellence

As an outsourcing company, we always strive to improve every part of our work and raise the quality of our services on a regular basis.

Why Talent House?

Based out of the kingdom of Saudi Arabia in Riyadh & Al Khobar, Talent House is a top notch contracting, facility management and outsourcing company with diverse knowledge of global recruiting and staffing. And there are many reasons why one should choose Talent House for their career and dream jobs. First and foremost:

- **19+** years of rich and diverse experience in multiple industries
- **500+** Employees
- Headquarter in India and other branches in Dubai, Saudi Arabia & Europe
- **100,000 +** manpower delivered from various industries
- **50+** Branches & Offices Globally
- Own office & Teams in many countries
- **100%** client satisfaction & Retention
- Excellent service-Pre & Post Project Deliveries
- Our own skill testing Centre for different trade
- Our own test Centre for heavy equipment's (truck/trailer)
- Our own medical Centre with world class facilities.

What makes us different?

- For every position, we do not use the same recruitment approach. We generate leads as per standards and use leverage towards our industry expertise to deliver the kind of advice you would expect from a team of specialists.
- To discover and refine each targeted shortlist, we employ a combination of attraction and selection strategies. Based on that, we start with our recruitment process with the right candidates.
- To provide consistently exceptional service and guaranteed results, we use the most up-to-date technologies that allows us to communicate with the candidates.
- As a top-notch contracting, facility management and leasing outsourcing agency, we have genuine understanding of our markets and give every attention to candidates care.

What else can we do?

We enjoy learning about our client's specific needs and the challenge of locating specialist abilities that no one else can provide. That's not to say we're a jack of all trades or that we exaggerate our abilities. But it does imply that, because of our extensive network of candidates, advanced resourcing expertise, and go-above-and-beyond service delivery, we're typically able to locate those incomparable professionals you can't live without.

Because of the company's in-depth knowledge of multinational concerns, concepts, and surroundings, we are able to recruit executives and provide guidance on human resource management difficulties from a worldwide viewpoint. Our teams have decades of Indian and worldwide work experience and have conducted hundreds of assignments over the past **19+** years to gain a full understanding of company trends and workforce demands in many areas and domains.
